

Strategic Waivers School System

The State Board and Department of Education approved the Coweta County School System Strategic Waiver in June. As a result, our system and schools are provided an opportunity to request waivers of some required state board of education rules and laws governing operating practices.

Strategic Waiver Request Process

Step I: Identify Strengths and Areas for Growth within Your School

Step II: Review Coweta County System Strategic Partnership Contract and Approved Waivers to Identify Possible Flexibility Options for Your School to Improve Student Achievement

Step III: Complete Coweta County Strategic Waiver Request

Once your school has identified, researched, and planned for potential waiver requests, complete the following Google form in detail and submit to the waiver committee for review and approval.

Step IV: Present Waiver to Strategic Waiver Committee and Dr. Barker's Strategic Leadership Committee

Please be prepared to present the waiver request in person and participate in the collegial discussion with the waiver committee during the process.

Step V: Committee Will Determine Final Approval and Share with Principal

Step VI: Implement, Monitor, and Evaluate Approved Waivers

Be prepared throughout the school year to share progress and report growth to the strategic waiver and strategic leadership committees.

Waivers must be approved yearly.
